Thank you for your letter of 29 January enclosing biographical data on [REDACTED]. I agree with you that he has the sort of background that would make him particularly useful to us. I find, however, that he was offered a position with the Agency last year but he was unwilling to accept it at that time. His file remains active and if he changes his mind in the future we will be glad to consider him again in the light of current requirements.

I appreciate your thinking of us in this regard and if you know of any other qualified people, please pass them on to me.

Sincerely,

W
